DOCUMENTS SECTION

IMPORTANT PROVISIONS OF PLANT PEST ACT OF 1937

Nursery Stock Includes: All trees, shrubs, brambles, woody vines, and woody florist stock, their roots, cuttings, grafts, scions, buds, fruit pits, other seeds, and parts thereof, for propagation; herbaceous perennials and other plants and plant products for propagation as ornamentals.

Every Dealer located either within or without the State, engaged in or about to engage in selling or soliciting orders for nursery stock within this State, shall secure a dealer's certificate by furnishing a sworn affidavit that he will buy and sell only stock which has been duly inspected and certified by an Official State or Federal inspector, and he shall furnish the inspector on demand a list of all sources from which he secures his stock.

Labeling Requirements: (a) All wholesale lots, lots to be forwarded by common carriers, and lots to be moved over state lines shall be tagged with a copy of the certificate. These tags or posters to contain a printed copy of the valid certificate of the nurseryman making the original sale. (b) Nursery stock exposed or offered for sale by retailers need not carry a certification tag. The certificate received from the wholesaler by the retailer, together with invoices governing the purchase of the lot of nursery stock, must be available for examination by the Secretary or his agents for at least one year, the year to run from October 1 to September 30 of the next year. Retailers are required to display their valid certificate at each place of business. (c) The tag or poster which must accompany lots of nursery stock as required in paragraphs (a) and (b) of this statement, shall contain in printing an exact copy of the valid nursery certificate. Any additions or erasures (including date) will constitute an alteration of the tag or poster.
